Hearing “*Kanpai!*”

What comes to mind?

The time at the end of the day

When hearts fill with appreciation:

The clinking of glasses, faces breaking into smiles.

No matter how tough the times,

Gaiety returns with the magic word.

“*Kanpai!*” The comfortable cups and glasses.

“*Kanpai!*” The colorful table linens and decorations.

“*Kanpai!*” The solemn toast for those gone before.

There are so many ways to express “*Kanpai!*”

Why don't you join us?
